**Do you have a history of:**

Yes  No Kidney Disease

Yes  No Allergic to MRI Contrast

Yes  No Diabetes

Yes  No Are you on Dialysis?

Yes  No Cancer: \_\_\_\_\_

On certain exams, we need to inject a contrast agent (Gadolinium) to improve the images that are created on your exam. This agent is safe; however. A small number of patients may experience headache, nausea, or vomiting. Serious reactions occur in less than 1% of patients.

**Is this exam being performed as a result of a motor vehicle accident?**  Yes  No Date of injury \_\_\_\_\_

I have read and understand the above. I give consent for this exam and the injection of gadolinium, if necessary. I certify that the above questions have been answered to the best of my ability.
